Learn About Trans Life in South Africa

Thanks to the generous donations of the Gender Odyssey community, **Tebogo Calvin Nkoana** and **Liesl Theron** have been able to travel from Cape Town to offer a session on trans life in South Africa.

Through **Gender DynamiX**, Tebogo and Liesl provide the only organized and formal support on the African continent for transgender people and their loved ones.

Tebogo is one of the very few out black transgender people in South Africa. He has followed a calling to work as a traditional herbal healer since the age of 15.

Liesl has written numerous articles and has been invited to speak at conferences around the world. She is working with other organizations to develop a global approach to transgender rights.

Saturday 2:00 - 3:30 PM • WSCTC • Free and open to the public
