Park in the area to the left of the hand-carried freight door. After unloading, you can either leave your vehicle there or move it into another area of the garage. The cost is the same for both areas. You pay when leaving the garage.

Once inside the door, there will be carts to move your items to the vendor/art show area. If, for some reason, there are no carts please call Beth at the above number. The freight elevator is in the same space. There will be an elevator operator to assist you with opening the very large elevator doors. If the elevator door is closed and there is no one there, press the Up elevator button and the operator should be inside the elevator.

Go up to the sixth floor and follow the posted signs to the east lobby of the sixth floor. The Vendor Coordinator, Brenda Bowers (she/her) will be there to show you to your table.
